

# QUEENIE4EVER

Queenie4ever is a collection of "clothing for the glamourgirl" that is worn by Hollywood A-listers including Jessica Simpson, Renee Zellweger, Hilary Duff, Melissa Joan Hart, and The O.C.'s Autumn Reeser just to name a few.

The setting was a glamorous pink and black Hollywood-themed booth with a 5 foot life size cut-out of Queenie, a Hollywood starlet character created by Tatiana, and her French poodle Bijou. Queenie4ever displayed their Vintage Queenie collection of pink ringer t-shirts, which includes: Limo Queenie, Bubble Bath Queenie, Hollywood Queenie, Vanity Queenie, and Birthday Queenie. Also on hand were Queenie4ever rock star % sleeve raglan t-shirts featuring Queenie's rock star boyfriend, Johnny Majestic, along with Wong Wear, a collection of Asian-inspired men's wear t-shirts.

Queenie4ever is the vision of Tatiana McLane, a 13-year-old entrepreneur/designer who started the collection when she was 10 years old. Her mother, Venice Wong, noticed her daughter had a flair for color and fashion early on. Wong, a music attorney who offers her wardrobe styling services to rock star clients, helped her daughter learn the ropes of the fashion industry. Tatiana is also the model and spokesperson for Queenie4ever, and was American Apparel's first kid model.

### FanBolt Recommendations:

Any girl would be a fan of the Queenie4ever line. It's cute, classy, and oh-so girly! What's not to love? Autumn Reeser from 'The O.C' recently picked up a shirt from the line at the Kari Feinstein Style Lounge celebrating this year's MTV Movie Awards. Autumn knows cute when she sees it, and so do we! With the designer of Queenie4ever being only 13 years old, we can't wait to see what she has in store for the fashion world in the future. She has such talent and drive for success at such a young age!

You'll find many different designs offered from the Queenie4ever line such as the [Queenie Cameo Logo Collection](#), [Hollywood Queenie](#), and then there's a tons more charming designs in the [Vintage Queenie Collection](#) where you can find the bubble bath design that is displayed below. Any of these pieces would pair up perfectly with some trendy denium, whether it be a pair of jeans or a cute denium skirt, you'll look like America's sweetheart!

*We have an interview with Tatiana and her mother Venice, which we will be featuring in August's Style Week, so keep your eyes out to find out more about this talented designer and what her words of advice are to other inspiring designers!*
